Regional Children & Young People (CYP) Neuro-Oncology Study Day

This FREE study day is aimed at medical, nursing and allied health professionals with an interest in caring for CYP with a central nervous system tumour. The study day will provide an overview on educational elements of the child & young persons neuro-oncology pathway; including diagnosis, treatment and therapy interventions, endocrinopathies and palliative care.

This is a combined Study Day for professionals working within Paediatric Oncology services; and is facilitated by both RMCH and AHCH, with the support of the NWCCODN.
